F&D Plastics, a Woman-Owned Small Business, was founded by Jean and Roger Rosbury in 1967 in Leominster, MA, and has been exceeding customer expectations for the past 50 years in color concentrates, pre-colored engineering resins, additive master-batches and custom compounds. F&D Plastics manufactures these high performance materials at our plants in Leominster, MA; Dorval (Montreal) Quebec, and will be opening a new state-of-the-art plant in the Southeastern United States in late 2016. Let F&D Plastics show you why we've developed loyal customers in the US, Canada, Mexico, Latin America and the Caribbean.

We are looking to almost double our footprint over the next few months and we're looking for some good people.
